The Energy Transition Won't Happen Without You

Start Your Career With Enerflex

It's time to look at things from a new angle. What worked yesterday won't work tomorrow. The world needs clean energy – and recent graduates like you, educated in the latest technologies and motivated to make a brighter future, can play a significant role in making this happen. We hire interns and graduates across various degrees, skills, educational backgrounds, and from all cultures and communities.

Enerflex at a Glance

Enerflex is a vertically-integrated supplier delivering natural gas solutions across a wide range of applications around the globe. Over 40 years, we've earned a reputation for reliability, dependability, and collaboration, working in partnership with our customers to solve problems and deliver results worldwide.

Unlocking Your Full Potential

Our goal at Enerflex is to help you grow into the specific expert you want to be. We deliver relevant training and prioritize collaboration between departments and functions so you have the chance to learn from industry experts. We help take what you learned in school, and empower you to succeed with us for the long term.

Who Excels At Enerflex?

People who share our Company values:

Integrity: Driven to push for better

Commitment: Resolved to accomplish any task exactly as promised

Creativity: Inspired by challenge to innovate

Success: Motivated to discover new levels of personal and professional achievement

Embracing the Energy Transition

Enerflex is a proven partner fully committed to advancing the energy transition and helping decarbonize our industry. We have decades of experience in delivering innovative low-carbon solutions.

Want to make a difference in creating a cleaner, more sustainable world? Then join us and be a part of what we are doing.

Enerflex
